

# Remote Working ARE YOU READY?

Let us help you with this Quick Guide

## UPDATE

Ensure you have latest UC Platform version on your devices

## UPGRADE

The right audio solution helps you sound your best despite background noise

## SMILE

Video conferencing enhances the human connection that fosters collaboration

## RELAX

Finish off your new home office with an ergonomic chair and good lighting

## SELF MANAGEMENT

- Have a separate workspace
- Establish a routine
- Remember to Move
- Keep home front informed

## FEEL THE POLY DIFFERENCE FOR YOUR AUDIO & VIDEO

With more certified Audio and Video devices than any another provider, Poly has been delivering the highest quality of solutions for Microsoft for 15 years.

# CHOOSING YOUR POLY DEVICE IS AS SIMPLE AS 1,2,3,4

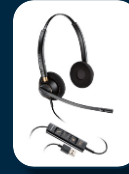

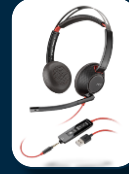

TOP TIP: Upgrade from your laptop's built-in audio and video. A full house needs noise-canceling. To walk about during meetings, connect via Bluetooth. For plug-and-play simplicity, choose a USB connection.

Click the images for more details
